**Free Bus Service**

## What is TRANSMETRO FREE BUS?

We provide free transportation to approved visitors to visit their loved ones

### Registration information:

[www.transmetro.org/CDCR/](http://www.transmetro.org/CDCR/)

The purpose of this program is uniting families with their loved ones in prisons - provides free, weekly transportation to designated institutions for children and extended family members. Check the website for the transportation schedule assigned to your institution.

This program is Funded by the California Department of Corrections and Rehabilitation (CDCR) and serves families from all over the state.

Please register soon so we can validate your registration with the institute. We will send you a letter confirming your registration and notifying you of the exact time and place of the bus departure a week prior to the trip.
